Digital Asset Location & Executor Instructions

Safe to keep with estate documents | Do not record seed phrases or passwords

PURPOSE

This sheet tells your representative where the confidential record is stored, not what it contains.

1 RECORD OWNER

Full legal name

Date updated

2 LOCATION OF CONFIDENTIAL ACCESS RECORD

☐ Secure home safe

☐ Bank safe-deposit box

General location / bank name and branch

Person to contact to arrange authorized access

Phone / contact information

3 EXECUTOR / PROFESSIONAL CONTACTS

Executor / trustee name and phone

Estate-planning attorney and phone

4 INSTRUCTIONS FOR YOUR REPRESENTATIVE

- ☐ Confirm legal authority before accessing accounts or recovery materials.
- ☐ Locate the confidential record only when lawfully authorized.
- ☐ Do not photograph, email, text, or upload seed phrases or private keys.
- ☐ Do not share wallet recovery information with purported recovery services.
- ☐ Verify blockchain network and receiving wallet details before transfers.

REMINDER

Store the separate confidential record only in a secure home safe or bank safe-deposit box.
